Health risk minimisation plan for attendance at EC services – Feb 2023

The coach will:

- Not attend if they have any signs of illness including fever, cough or sore throat
- Ensure hands are washed / sanitised on arrival if requested
- Comply with any procedures in place at the centre
- Maintain physical distancing during meetings with educators
- Avoid physical contact with children
- **Alter the format of face to face training to allow for physical distancing to be maintained if requested**

The centre will:

- Maintain physical distancing during meetings with the consultant
- Alert the consultant if there is an outbreak of an infectious disease at the centre so that a risk assessment can be completed and the visit postponed if necessary
- **Provide a space for training which allows for physical distancing for the number of attendees**
